Krug offers an extensive range of furnishings for private office and conferencing, and a comprehensive seating collection. A company-wide program is in place to reduce the impact of our products and process on the environment. For a copy of this program, or more information about products, please contact your local Krug representative, or Krug Customer Service.

Meet Thelma – the sportiest stackable chair we know. Don't let the slim profile fool you. Thelma's polished chrome frame is made of 11mm tubular steel with all points welded to ensure durability. Thelma's sled base is intended to be light and graceful in any task. Personalize your Thelma chairs by selecting from our palette of 6 plastic seat and back colors – traditional Black to the fresh looks of Sage, Beige, Peach, Pistachio and Blue.

Choose to create a solid group or mixed assortment of colors. Whether ganged together or set independently, Thelma will provide function and pizzazz in any space. When not in use the chairs stack neatly for storage. An optional stacking cart is available.
