## TERMS AND CONDITIONS

Net 30 days on approved credit. A late payment charge of 1% per month will be applied on overdue invoices. This charge will be pro-rated to the number of days past 30 days that the invoice is overdue. All applicable sales taxes are extra. Distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Krug dealers. Acceptance of any order and terms of sale may be established at the discretion of Krug. Deposits are required on orders received from new accounts as well as on large or special orders. Krug reserves the right to discontinue designs, or to change designs, construction, prices, or materials without notice.

## CUSTOMER SERVICE HOURS

Please note customer service hours are:

8:30 am to 5:00 pm est  
1.888.578.KRUG  
1.519.748.5177 fax

## ORDER ACKNOWLEDGEMENTS

Each order will be acknowledged via e-mail or fax. This acknowledgement is the final agreement between Krug and the customer, superseding all previous communications regarding the purchase order. Where there is a discrepancy on a purchase order between a product code and a description, Krug will make every effort to resolve the discrepancy, but will be ruled by the product code ordered. Please check all acknowledgements for accuracy, and advise Krug of any discrepancies with a purchase order.

## CANCELLATION

A cancellation can be made only by expressed agreement with Krug. A cancellation fee may be incurred for restocking.

## DIMENSIONS

Dimensions are in inches and approximate, and subject to change without notice. Contact Customer Service if dimensions are critical.

## BLANKET WRAPPING

Krug will blanket wrap seating orders at customer's request. Please indicate on your purchase order and contact Customer Service.

## STORAGE CHARGES

Krug reserves the right to assess a nominal storage charge if a customer does not accept shipment of an order within a week of the ship date.

## CONTACT INFORMATION

Phone: 1.888.578.KRUG  
Fax: 1.519.748.5177  
Purchase Order Fax: 1.888.236.4783

E-mail: solutions@krug.ca

## INSTALLATION SUPPORT

For assistance please contact Technical Support at **1-888-578-5784 x216** or **e-mail** installationhelp@krug.ca and you will be directed to the appropriate installation support person.

## PRICING

Krug endeavors to ensure that all prices in this price list reflect accurately our current prices. However, errors do occur and will be rectified through notices to the field. Krug reserves the right to acknowledge pricing that may be different from the price list.

## WARRANTY

Krug warrants Amelio products to be free from defects in materials and workmanship for the lifetime of their use.

This warranty is applicable to products in use by their original purchaser. This warranty does not apply to components and materials not manufactured by Krug: these are subject to the specific warranties of their manufacturers (if any). Repairs or replacement of any defect covered under this warranty by Krug will be made, at our option and method, at no charge to the original purchaser. Krug's judgment is final and binding with respect to the nature or cause of defects or damage, and the necessity or manner of repair or replacement.

This warranty does not apply to defects or damage resulting from:

- normal wear and tear occurring with the use of the product
- negligence, misuse, excessive use, alteration, improper cleaning or repair
- substitution or use of incorrect or unauthorized components or material
- handling or installation that is incorrect, or that causes damage or defect
- damage incurred by a freight carrier other than Krug
- wearing of finishes and fabrics, and normal variations in materials (including dye lot variations)
- properties of natural materials, including wood and leather
- exposure to environments with uncontrolled temperature and humidity (products must be transported, stored and used in climate-controlled conditions)

## EXPORT PACKAGING

Krug is pleased to provide the option for export packaging on all our products, to provide additional protection from damage.

Export packaging is provided at an upcharge of 5% of the net selling price per item.

Export Packaging is **STRONGLY RECOMMENDED** for:

(A) all shipments outside of the lower 48 states and Canada

(B) all shipments that will be held in storage for an extended period prior to installation.

**Important:** Please note that Krug will not be responsible for damage claims on product shipped or stored in the above conditions but where export packaging has not been utilized.

Please contact Customer Service for specifications or any other assistance regarding export packaging.

## FREIGHT TERMS AND CONDITIONS

1. All product is shipped FOB the Krug factory. Freight is either pre-paid to the destination (dealer's dock or territorial warehouse) or not pre-paid, depending on established customer specific freight terms.

2. Docks at the selected delivery location must be equipped to handle a 53' trailer. If a dock is adequate for delivery by Krug, Krug will re-deliver to another local location and any additional costs will be charged to the customer.

3. When a Krug territorial warehouse (where available) is selected as the default delivery location, it is understood that Krug pays freight cost to the territorial warehouse only, and no further. The Customer is responsible for all charges from this point.

4. For all deliveries, it is understood that Krug or its agent is making a dock delivery only (equipped to handle a 53' trailer), and any further work of truck unloading, delivery beyond the dock, installation, and removal of packaging is not authorized or paid for by Krug.

5. Drop shipments to the installation site, and timed deliveries, are available on larger shipments (full truckloads or slightly less) at no additional charge. Drop shipments or timed deliveries for smaller shipments may not be available, or if available will require a surcharge. Deliveries on an after hours basis, or on weekends, or any other special requirements, may be subject to a surcharge. Location and contact information, and the requested time of delivery, is required at least one week prior to the acknowledged shipment date. If this information is not provided one week in advance, or if the location or time of the drop shipment is changed less than one week in advance, a surcharge may be applied, and/or the drop shipment may not be scheduled. For deliveries requested Monday to Thursday after 5:00 pm, please apply a surcharge of \$250/shipment. For deliveries requested Monday to Friday before 7:00 am, please apply a surcharge of \$250/shipment. For deliveries requested Friday (after 3:00 pm or weekends, please apply a surcharge of \$500/shipment. (local times)

6. For all deliveries - whether to the Customer location or drop shipment - any circumstances that result in the delay of our carrier (including unsuitable receiving facilities, or facilities not open or available), service charges will be applied at the rate of \$75/hour. Where re-delivery is necessary because of these circumstances, the full cost of re-delivery will be charged. If Less Than Truck Load is delivering, one hour is allocated to unload. Any additional time required to unload after the first hour is \$75/hour. If a Truck Load is delivering the order, three hours is allocated to unload. Any additional time required to unload is \$75/hour. Direct deliveries to site for net orders are possible, (must exceed \$60,000 net), and accommodate 48 - 53' trailers. Krug is responsible for delivery to the approved delivery address. If an address change is required, this must be authorized by Krug 5 business days prior to ship date. Any additional delivery costs incurred after this time will be charged to the customer.

## PRODUCT STRENGTH AND DURABILITY TESTING

All Amelio products have been thoroughly tested, and exceed the testing requirements of ANSI / BIFMA X5.4.

## WEIGHT CAPACITY

Amelio Sleep Sofa has been load tested to 525 lbs.

# GENERAL INFORMATION

## CUSTOMER SATISFACTION

It is the primary goal of Krug and our staff to ensure the complete satisfaction of our customers with our products and performance.

If a problem arises with a Krug product after the expiration of the limited warranty period, Krug will exercise its best efforts to achieve the satisfaction of the customer in a manner that is fair to all concerned.

## DAMAGED SHIPMENTS

All Krug product is well engineered, carefully inspected, and expertly loaded onto our trucks at our Distribution Center. If you receive any damaged freight, we ask that you do not refuse the shipment. Krug is not responsible for damage to goods that occurs in transit or storage. It is the purchaser and/or receiver's responsibility to examine the goods upon receipt and to notify Krug of any damages, overages or shortages. Any discrepancies should be noted on the Bill of Lading. The delivering carrier will not accept responsibility for shortages or damages if signed "clear." Notification of concealed damage claims must be made to Krug Distribution within 5 days of delivery, along with digital pictures if available. All product and packaging must be available for inspection. Krug liability ceases after 5 business days and Krug will not be responsible for concealed damages if shipments are left unopened. Krug is not responsible for the condition of product that is stored or installed in an environment where temperature and humidity are not controlled.

## FIELD PRODUCT REPORT AUTHORIZATION

Krug's written authorization, in the form of an FPR number, must be obtained prior to incurring charges of any kind if Krug is expected to pay these charges. This includes authorization for field repairs and replacements, installation and delivery charges. Krug reserves the right to have its representative inspect product related to any request for such authorizations, prior to that authorization being provided. Deductions from invoices paid for any charges to Krug, without prior written authorization in the form of an FPR, will not be accepted. Digital photographs may be required to complete the FPR process.

## RETURNS

No merchandise may be returned without Krug's prior written consent. In the event of an authorized return, a Field Product Report (FPR) number will be issued, and a restocking charge will apply. Return transportation charges must be prepaid. Unauthorized returns will not be accepted and will be returned freight collect. All merchandise being returned must be properly packaged in its original or comparable replacement packaging to ensure protection of the product during handling and transportation. Returns on orders duplicated by the customer must be received in their original packaging to be accepted. Product being returned where Krug has authorized its liability for replacement or repair will be thoroughly inspected on its return, and the results compared to the reason for the return stated on the FPR. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

## CUSTOM CAPABILITIES

Over 15% of our orders involve some type of custom work, and we invite our customers to make use of our extensive capabilities.

These include:

- 1) Dimensional customization of standard size products.
- 2) Custom finishes
- 3) For larger orders, completely custom-designed products, as well as non-standard wood species can be specified.

Custom orders may require additional production lead times. Contact Engineering at the e-mail address [engquotes@krug.ca](mailto:engquotes@krug.ca).

## CARE AND MAINTENANCE WOOD FINISHES

Although Krug's extensive finishing process ensures a durable finish on all our products, there are several steps that can be taken to protect and prolong the life and beauty of the finish. Dust only with a clean, dry cloth, going with the grain. Clean any marks with a damp cloth, using a small quantity of mild soap or detergent. Do not use any wax-based polish, spray or silicone. Eventually, a film will build up and discolor the top. Do not place your furniture in a position of permanent exposure to direct sunlight.

## LEATHER

Leather is a natural product and requires very little care during use. Most stains can be removed with a clean dry cloth. For stubborn spots and stains, use a mild non-detergent cleaner, rinse well and let air dry naturally. Do not use saddle soap, cleaning solvents, furniture polish, oils, varnish, abrasive cleaners, soaps or ammonia waters.

## FABRIC UPHOLSTERY

Professional upholstery cleaning is recommended.

## SLEEP SURFACES

Sleep surfaces can be cleaned with warm water and mild soap. Water diluted to a maximum of 25% bleach and other intensive cleaning solutions (Virucide, accelerated peroxide) such as PerCept RTU, Zolvex, Colorox Wipes, Alpha HP and Virox can be used without affecting the color or integrity of the vinyl. All cleaning products should be applied with a cloth, sponge or soft bristle brush.

## WOOD FINISHES

Standard wood finishes are:

### FINISHES ON BEECH

Appalachian Cherry  
American Cherry  
Imperial Cherry  
Light Cherry  
Medium Cherry  
Natural Cherry  
Sable Cherry  
Standard Cherry  
Light Oak  
Harvest Oak  
Mahogany  
Mellow Oak  
Espresso  
Cordovan Walnut  
Natural Walnut  
Regular Walnut  
Dark Walnut  
Clear Beech  
Medium Anigre

### FINISHES ON MAPLE

Clear Maple  
Honey Maple  
Wheat Maple

## NATURAL CHARACTERISTICS OF WOOD

Wood is a natural product with inherent color variations that will never be fully mitigated by the finishing process. Please anticipate variation in colors within a single unit, from piece to piece, and from Krug wood finish samples. If a very close match is required, a sample must be provided with the order and an upcharge will apply. Exact color matches are not possible.

### CUSTOM WOOD FINISHES

Add \$100 list per unit to your order for special finishes, minimum upcharge is \$500 list per finish per order. For orders with special finishes, a sample that is a minimum 3" by 3" must be received with the order. Special finishes may add additional lead time to production schedules. Since wood is a natural product, some variations in grain, color and stain acceptance will occur. In our finishing processes, we try to minimize variations, but some variation between samples and finished goods should be anticipated.

### STANDARD WOOD FINISHES

No upcharge will be applied when specifying a finish available as standard on one species onto maple seating and occasional tables.

## GREENGUARD™

Many Krug products have earned the GREENGUARD™ Environmental Institute's GREENGUARD™ Certification for low emitting interior products. All GREENGUARD™ Certified products and materials are tested regularly to ensure continued low emitting status.

Specifying and design professionals can trust GREENGUARD™ Certified products to create superior interior environments with out added cost or effort. All GREENGUARD™ Certified products can easily be found online in the GREENGUARD™ Product Guide. A printable certificate is available for each product in the guide to simplify project submission and product verification.

For more information or to obtain an up-to-date listing of Krug's GREENGUARD™ Indoor Air Quality Certified® products please visit [www.krug.ca](http://www.krug.ca) or [www.greenguard.org](http://www.greenguard.org).

All Amelio products have received GREENGUARD™ certification.

# IN-STOCK FABRIC & LEATHER PROGRAM

## IN-STOCK FABRIC PROGRAM

Stone	K13.3000	Cypress	K13.6000
Graphite	K13.4000	Onyx	K13.1000

Please contact Customer Service for specific information on leathers and lead times.

# CUSTOMER'S OWN MATERIAL - C.O.M.

## CUSTOMER'S OWN MATERIAL COM/COL

COM/COL must be received three weeks prior to the acknowledged ship date. Orders with COM/COL not received by the required deadline will be delayed.

A description of the upholstery cover, including supplier name, pattern name, upholstery cover name and color number must be included with the purchase order.

COM/COL testing requires 3 business days and samples are to be directed to Customer Service. The customer has the option of providing the sample COM/COL before, at time of order, or once the sample COM/COL is received. If the customer does not send a sample for approval in advance of sending actual material, Krug will not be responsible for the cost of any upholstery cover or other material that it determines to be unsuitable for the product or our process.

When the COM/COL upholstery cover is received at Krug, it must be clearly identified with the upholstery cover name and color, and tagged with name of the Krug customer and purchase order number. Krug will inspect all COM/COL upholstery covers when received to determine if it will be suitable for upholstery. Where Krug feels that the upholstery cover or leather specified will compromise the quality or integrity of our products, customers will be contacted to direct these concerns. Further, Krug reserves the right to refuse to accept and use any COM/COL upholstery covers or leathers that will compromise our products in any way that is unacceptable to Krug. Krug cannot assume responsibility for the durability or tailoring quality of customer's own material.

Yardage specified in this price guide is approximate. In the case of multiple product orders, multiply the number of items by the COM yardage specified to determine upholstery cover required, unless otherwise indicated. Additional yardage may be needed if the material is less than 54" wide, or patterned or striped and requires matching. All COMs are cut "up the roll" unless otherwise stated by the customer. All striped upholstery covers will be applied vertically unless otherwise stated by the customer and after approval by Krug. Krug will not be responsible for directional or positional problems with its application of COM material, unless it has been provided with explicit instructions by the customer. Special instructions should be sent to Krug Customer Service, including a sample (or photocopy) of the upholstery cover. Krug is not responsible for instructions sent with the upholstery cover rolls, or for the method of upholstery if no instructions have been provided.

Price increases and freight charges to COM/COL acquired on the customer's behalf will be passed onto the customer.

## APPLICATION OF UPHOLSTERY COVER

Some COM upholstery covers will be considered directional by Krug even though they are not considered directional by the supplier. All COMs are automatically cut "up the roll" unless otherwise stated by the customer (please see below).

Standard-Cut  
"up the roll"

Non-Standard-Cut  
"across the roll  
"railroad"

## COM/COL SHIPPING PROCEDURES

For seating COM /COL upholstery covers, please send upholstery covers to:

Krug Inc.  
111 Ahrens Street  
Kitchener, Ontario  
Canada N2H 4C2

### Attention: RECEIVER

COM/COL orders cannot be scheduled into production until the upholstery cover has arrived and inspection is complete.

All packages must be clearly marked "**For Customs Clearance by Russell A. Farrow Custom Brokers**".

According to the North American Free Trade Agreement (NAFTA), goods shipped between the United States and Canada can qualify for exemption from all duties, or for a reduction in duties, if the goods can be proven to originate in either the United States, Canada or Mexico.

Canada Customs requires that a NAFTA Certificate of Origin and a Commercial Invoice be completed and sent with the upholstery cover shipment. The Commercial Invoice must clearly state the description of the upholstery cover, the selling price, the make-up or content, and the purchaser. The absence of these two documents will delay the shipments at the U.S./Canada border, thereby potentially delaying the customer order. If the total value of the shipment is less than \$1200 U.S., Customs will accept a Low Value Statement of Origin in place of the NAFTA Certificate of Origin. The Low Value Statement must be signed by a representative of the exporting company. This statement may either be included on the commercial invoice or attached to the invoice.

Krug is happy to answer any questions or concerns about COM/COL shipping procedures and the required documents. Please contact our Customs Specialist at 1.888.578.5784.

## CAL 133 & MOISTURE BARRIER

California Technical Bulletin 133 is a flammability test for seating. Krug offers a compliance method which, in combination with non-flammable upholstery covers, may enable the products to meet certification requirements for this test. This process at the same time also provides the products with a Moisture Barrier - a treatment that helps to prevent the passage of liquids and moisture to inside of upholstered components - thereby conferring sanitary and anti-infection benefits. So when CAL 133 is specified, the product also automatically has a Moisture Barrier, and when a Moisture Barrier is specified, the product also features the compliance method and low flammability features of CAL 133.

The application of this upcharge and the compliance method does not mean that the specific configuration of product and upholstery cover are tested and officially certified as being CAL 133 compliant. If official certification is required, Krug will provide this (through an independent certified testing laboratory) at a charge of \$700 per item, plus the cost of the product to be tested. Lead time for certification testing is typically 4-8 weeks. Krug assumes no responsibility for the testing of our products in combination with upholstery covers, or for the results of any testing conducted. Some specific configurations of product and upholstery have already been tested. Please contact Customer Service for additional information.

## C.O.L. YARDAGE

To calculate C.O.L. yardage required, please use the following conversions based on COM yardage: Leather must be ordered in square footage.

- 17 square feet in a yard
- Approx. 3 yards in a hide
- Approx. 51 square feet in a hide
- Please use grade 3 pricing for COL

# CUSTOMER'S OWN MATERIAL - C.O.M.

## UPHOLSTERY COVER YARDAGE CALCULATION

To calculate yardage required for COM and other non-standard upholstery cover orders, please contact Krug Customer Service at 1.888.578.5784.

The repeat is calculated by adding both the vertical and horizontal measurements together and then referring to the chart below for extra yardage required.

Unless otherwise stated, upholstery cover rolls are assumed to be a minimum 54" wide. Please use the guide below to calculate the percentage of extra upholstery cover required to cover large repeats.

FABRIC	Plain	2"-14"	15"-19"	20"-27"	28"-36"
		Repeat	Repeat	Repeat	Repeat
54	0%	10%	15%	20%	25%
53-50	16%	20%	25%	30%	35%
48	16%	25%	30%	35%	40%
45	40%	50%	55%	60%	65%
36	50%	60%	65%	70%	75%

## GRADED-IN UPHOLSTERY PROGRAMS

Krug has co-operative programs with Maharam, Momentum and CF Stinson Upholstery covers, designed to provide a wide range of upholstery cover selections for our seating products.

When placing an order, a Krug customer must specify the complete Maharam, Momentum or CF Stinson upholstery cover number, along with the appropriate Krug model number and finish. Krug will supply the complete product at the prices listed. Orders specifying Maharam, Momentum or CF Stinson upholstery cover cannot be cancelled once the upholstery cover has been ordered.

### UPHOLSTERY COVER GRADES

To determine the price of a product in Maharam, Momentum or CF Stinson upholstery covers, use the reference lists on pages 8-10 to reference the upholstery cover grade (1-9). Please contact Customer Service for information on upholstery covers not listed. When two upholstery covers are specified for use on seating, the higher grade upholstery cover price will apply to the order.

### UPHOLSTERY COVER SAMPLES

If you require additional samples or memos for presentation, please contact Maharam during business hours at: 1-800-645-3943 in Canada and in the United States, Momentum at 1-800-366-6839, CF Stinson at 1-800-841-6279.

### FLAMMABILITY STANDARDS

- Tunnel Test Surface Ratings Class A rating
- Class 1 UFAC
- Passes State of California Technical Bulletin 117-Section E

Please contact Maharam, Momentum or CF Stinson directly for further flammability information pertaining to specific upholstery covers.

### SPECIAL CONDITIONS

Acknowledgements will give the estimated delivery date of the finished product. Some Maharam, Momentum and CF Stinson upholstery covers are imported, and availability may affect estimated delivery time. Maharam, Momentum or CF Stinson reserve the right to discontinue patterns or colors from their program. For large projects, please contact Maharam, Momentum or CF Stinson for availability of yardage.

NOTE: Some vinyls, leathers and upholsterys are not suitable for application on Amelio seating.

The COM approval process is as follows:

1. A sample of the COM must be provided to Krug Customer Service prior to or at the time of order.
2. The sample will be reviewed and the customer advised if the upholstery cover is unsuitable.
3. The COM upholstery cover or leather will be inspected when received at the factory, to identify any further concerns with its suitability.

## COMBINATION UPHOLSTERY OPTIONS

When ordering combination upholstery or using COM fabric, please use the following fabric placement reference guide. Simply make a copy, note the fabrics and send in with the order

The Outer Back upholstery supplied is a latex-free gray colored vinyl, a high-durability polyester fabric with a vinyl backer, designed to withstand impact and helps prevent the passage of moisture.

For a complete listing of features see page 12.

Amelio Sleep Sofa was designed for use with all floorplans, even the most challenging spaces. The Amelio Sleep Sofa is available in custom sizes in 1" increments between the size range of 68" - 84", please use next size up for pricing when ordering 10 or more units. For non-standard sizes in quantities less than 10 units or for other customization of Amelio, please contact Customer Service to obtain a special quote.

The flip-down sleep surface instantly transforms this sofa into a full-length sleeper, without encroaching at all on the footprint of the room, and without any mechanical operation. Sleep surface cushions are held in place with accessible straps - so that they are removable for cleaning and repair, but the cushions will stay in place when the unit is in use.

The Amelio Sleep Sofa unique construction and design provides comfortable daytime seating elements for guests. The split back design provides versatile sleeping options, one back section can be folded to create a parent supervised sleeping surface for a child or the complete back can be folded to accommodate overnight visitors.

## AMELIO | SLEEP SOFA FEATURES

### FOLD DOWN SLEEPING SURFACE

The Amelio Sleep Sofa creates a sleep surface that does not impede the footprint of the patient room. The back cushions fold down and lay flat on the seating surface to create a comfortable sleeping surface. For ease of cleaning and infection control, the sleep surface is upholstered with a healthcare-rated gray vinyl and features a standard moisture barrier on the cushions surface and sides. Back/sleep cushions are attached to the sleep sofa to prevent loss of cushions.

### LEGS

The Amelio Sleep Sofa has the option of 2" round steel or wood legs. All sofa sizes features a center leg for additional support and strength. An adjustable glide is standard on all legs. This helps ensure the furniture is steady and level on uneven floors.

### PLINTH

This base comes in standard Silver Metallic, or custom colors. It is designed to help prevent dirt, debris and liquids from accumulating under the sofa sleeper. It is removable and replaceable in the field, or can be added subsequently to units with legs.

### CASTERS

4" Casters are available on the Amelio sleep sofa and feature five soft wheels, which lock and include an easy access foot activation and release lever. The casters can be locked both directionally and rotationally, keeping the sofa sleeper securely in place when locked.

### ARMED & ARMLESS VERSIONS

The Amelio Sleep Sofa comes available in either an armed or armless version. Arms can be added to armless units in the field. Armed versions are available with Upholstered Arm, Upholstered Arm with Urethane Cap or Upholstered Arm with Wood Cap.

### LATEX FREE

Krug products are made with latex-free materials to prevent the allergic reaction that latex causes in some people.

# AMELIO | SLEEP SOFA FEATURES

## CLEAN OUT

A 5/8" space between the top of the seat and bottom of the back provide a clean out, for dirt and debris to fall or be swept into, going directly to the floor. The storage compartment also features vented bottoms that perform the same function.

## RAISED OFF THE FLOOR

Ample space (5.5", plus up to .5" of glide adjustment) between the bottom of the unit and the floor is designed to enable easier cleaning of the floor underneath.

## STORAGE COMPARTMENT

An optional under-seat storage compartment features a cleanable interior surface with a vented plastic bottom, with a clean-out for debris and liquids. The spring-assisted, stainless steel mechanism holds the seat in the upright position to provide safe access

## URETHANE ARM CAP

The optional urethane arm cap provides enhanced durability and protection for the arms. This component is field replaceable if it becomes damaged or degraded. Urethane arm caps are made with anti-microbial technology throughout the arms, so the anti-microbial properties are retained even if an arm is damaged on the surface.

## WOOD ARM CAP

The optional Wood arm cap helps to create a warm and inviting environment. Wood arm caps are field replaceable if they become damaged or degraded. The wood arm cap is provided with a standard anti-microbial Enduraguard finish.

## ANTI-MICROBIAL WOOD FINISH

All Amelio products come with anti-microbial technology that inhibits the growth of moulds and mildews. Wood surfaces coated in this finish will have reduced fungal growth, and spores from germs, microbes and bacteria will not multiply on the wood.

## FINISH DURABILITY

The Krug Enduraguard finish, a proprietary catalyzed varnish formulation, has been repeatedly shown, through independent laboratory testing, to be an industry leader in durability and abrasion resistance. The Krug finish looks better longer than competitors, and is uniquely suited to the demands of healthcare environments.

## COMBINATION UPHOLSTERY OPTIONS

When combination upholstery is with upholstery of the same grade or COM, an upcharge for dual fabrics is **\$20 list** per unit and **\$40 list** per unit for three fabrics. When graded in combination upholstery is selected, use the highest upholstery grade or contact customer service for a quote. Please provide the fabric specified and a description of where each fabric is to be applied on the product in order to obtain a quote.

## HEAVY DUTY HARDWARE & CONNECTIONS

High strength steel mechanisms are joined to other components in Amelio Sofa sleeper product with hardened steel bolts and metal inserts, ensuring exceptional durability, strength and on-site replacement of damaged or degraded components.

## REPLACEABLE COMPONENTS

Healthcare furnishings are constantly subjected to intensive use, and even damage. Amelio Sofa sleepers are uniquely designed to allow virtually all major components to be field replaced, providing a very cost effective means to significantly extend the life of the product. Seats and Sleep surface cushions are removable (for repair and cleaning), and replaceable, as are legs, casters, arm panels, arm caps, front panels and storage mechanisms.

## CAL 133 & MOISTURE BARRIER

The sleep surface cushions are supplied with a standard moisture barrier applied to the top and sides of the foam cushions. CAL 133 and Moisture Barriers are available on the complete unit, please see upcharges in ordering notes.

California Technical Bulletin 133 is a flammability test for seating. Krug offers a compliance method which, in combination with non-flammable upholstery covers, may enable the products to meet certification requirements for this test. This process at the same time also provides the products with a Moisture Barrier - a treatment that helps to prevent the passage of liquids and moisture to inside of upholstered components - thereby conferring sanitary and anti-infection benefits. So when CAL 133 is specified, the product also automatically has a Moisture Barrier, and when a Moisture Barrier is specified, the product also features the compliance method and low flammability features of CAL 133.

The application of this upcharge and the compliance method does not mean that the specific configuration of product and upholstery cover are tested and officially certified as being CAL 133 compliant. If official certification is required, Krug will provide this (through an independent certified testing laboratory) at a charge of \$700 per item, plus the cost of the product to be tested. Lead time for certification testing is typically 4-8 weeks. Krug assumes no responsibility for the testing of our products in combination with upholstery covers, or for the results of any testing conducted. Some specific configurations of product and upholstery have already been tested. Please contact Customer Service for additional information.

## WEIGHT CAPACITY

Amelio Sleep Sofa has been load tested to 525 lbs.

## AMELIO | REMOVABLE SLEEP SURFACE & SEAT CUSHIONS

Amelio backs are standard with a zipper allowing access to the sleep surface cushion straps. These straps are released by simply peeling back the velcro holding them in place.

Removable upholstery cover options on seats and sleep surface cushions, to allow cleaning, repair and replacement. When ordering removable seat covers at time of order, the upcharge is **\$146 list** per seat. Removable Sleep Surface covers are a standard product feature.

**Replacement Seat and Sleep Surface Cushion Covers** are field replaceable and can be ordered anytime after purchase for the following list prices:

DESCRIPTION/MODEL	COM			COL			FABRIC GRADES			LEATHER	
	Only	1	2	3	4	5	6	7	8	9	
Replacement Seat Cover	315	446	512	577	708	839	970	1101	1232	1494	
Replacement Sleep Surface Cushion Cover	481	612	677	743	874	1005	1136	1267	1398	1660	

## AMELIO | ANTI-MICROBIAL

Amelio Sleep Sofas are designed for environments where infection control is a priority, with several components featuring anti-microbial technology that inhibits the growth of germs and pathogens. Wood surfaces are coated in an anti-microbial finish, and Urethane caps have anti-microbial treatment through the entire component, so it will remain effective even if the arm is damaged.

## AMELIO | SLEEP SURFACE CLEANING

Amelio Sleep Sofas are standard with healthcare-rated gray vinyl sleep surface. It is easily cleanable and acts as a moisture barrier on the top of the sleep surface. Sleep surfaces can be cleaned with warm water and mild soap. Water diluted to a maximum of 25% bleach and other intensive cleaning solutions (Virucide, accelerated peroxide) such as PerCept RTU, Zolvex, Clorox Wipes, Alpha HP and Virox can be used without affecting the color or integrity of the vinyl. All cleaning products should be applied with a cloth, sponge or soft bristle brush.

## AMELIO | CONVERSION FROM SOFA TO SLEEPER

The Amelio Sleep Sofa creates a sleep surface that does not impede the footprint of the patient room. The sleep surface cushions simply fold down to create a comfortable sleep surface. For sleep surface dimensions, please see page 11.

To order Amelio with casters, glides or plinth bases, replace the underscore \_ in the model number with the number in product code that represents the leg style required.

## ORDERING NOTES:

**COMBINATION UPHOLSTERY OPTIONS** - When combination upholstery is with upholstery of the same grade or COM, an upcharge for dual fabrics is **\$20 list** per unit and **\$40 list** per unit for three fabrics. When graded in combination upholstery is selected, use the highest upholstery grade or contact customer service for a quote. Please provide the fabric specified and a description of where each fabric is to be applied on the product in order to obtain a quote.

The Amelio Sleep Sofa is available in **custom sizes** in 1" increments between the size range of 68" - 84", please use next size up for pricing when ordering 10 or more units. For non-standard sizes in quantities less than 10 units or for other customization of Amelio, please contact Customer Service to obtain a special quote.

**CAIL 133 & Moisture Barrier** are available with an up-charge of **\$40 list** per yard.

The Amelio Sleep Sofa is available with a **Removable Seat Covers** for an upcharge of **\$146 list** per seat.

**Amelio Sleep Sofas are standard with a latex-free gray colored back.** Upholstered backs are available for the following up-charges:

Grade 1	Grade 2	Grade 3	Grade 4	Grade 5	Grade 6	Grade 7	Grade 8	Grade 9
\$70	\$106	\$142	\$213	\$284	\$355	\$427	\$498	641
